Newcastle Mini Soccer League Minutes of Meeting Management Committee 11th June '08

- 1.0 **Roll Call**
Chair, Secretary, Heaton Hawks & Newcastle City Juniors
- 2.0 **Disciplinary Action against Walker Central U9 (Toon League), Blue Trophy Final**
The management committee agreed that the conduct of both officials and supporters of Walker Central U9 team was completely unacceptable. The committee noted especially the sustained abuse of the referee despite very clear warnings given at the last meeting of the league and, again, by the referee during the match; and, worryingly, the apparent reluctance of team officials to want to take any restorative action. The committee agreed that it is not prepared any longer to tolerate this kind of behaviour. The management committee agreed to inform the club that should any official or supporter of that team be found guilty by the Central Youth Division of acting in a manner deemed to be improper (or any charge related there under) at any time from 1st September 2008 to 31st May 2009, then that team will be automatically expelled from the league and that their record will be expunged with immediate effect.
- 3.0 **Appeal by Walker Central against fine for failing to fulfil a fixture**
Agreed. An independent appeal panel be convened. Noted. The Chair of the league was not present and not took no part in the debate on this matter.
- 4.0 **Appeals by Kingston Park and Heaton Hawks for failing to submit team sheets**
Agreed. Both appeals successful. Noted. Representatives of Kingston Park and Heaton Hawks were not present and took no part in the debate.
- 5.0 **Appeal by Pin Point Cowgate Panthers for failing to attend league meeting**
Agreed. Appeal rejected on the grounds that this was second similar offence and the club were aware of the penalties for future violation.
- 6.0 **Applications from Clubs with suspended Charter Status**
Agreed. Advice to be sought from NFA should applications be received from clubs with suspended Charter Status.
- 7.0 **Fielding an Ineligible Player**
Noted. Correspondence from Montagu BC. The management committee reluctantly agreed that it seemed unlikely that sufficient evidence would ever be available to confirm to which team Player X was correctly registered. It was agreed that no further action would be taken but it was agreed that the management committee would monitor the registration of that player for the new season.

Signed
